Hi Darnell,

I saw you in a meeting yesterday so I think you are still here! We found the attached note taped to one of the restroom stalls in Samson Pavilion/HEC.

I'm not sure what the process is for me to report this and if I just report to you or if I also need to report to any other department such as student affairs or campus police.

Please let me know - thank you!

Jean

Hi Jean,

JSI removed a note (attached) from the mirror in the woman's restroom on the first floor (165). I have the note if you would like for me to take it to your office.

Thank you,
